PRIORITY

I understand Foreign Minister Valenzuela's message to IAPC was not telephone call but telegram addressed to Luis Quintanilla, Mexico City. In either case, implementation DEPTEL 7 would mean request Valenzuela repeat identical message to Quintanilla Washington. Believe he would accede but hesitate ask him. In view extent to which Embassy has made suggestions to Foreign Minister on conduct his business this emergency, believe he would consider my request stretching paternalism too far. Would appreciate Department permission exercise my discretion this matter.
